MEMORANDUM FOR: Director of Communications  
Director of Data Processing  
Director of Finance  
Director of Logistics  
Director of Medical Services  
Director of Personnel  
Director of Security  
Director of Training

STATINTL FROM : [REDACTED]  
Chief, MAS/DDA

SUBJECT : DDA Compliance with Presidential  
Management Initiatives

REFERENCE : Multiple adse memo dtd 9 Aug 76  
fr Comptroller; subj: Follow-up  
Action to OMB Requests

1. By referent memorandum the Comptroller has requested the DD/A to identify (a) five subjects for efficiency evaluations, and (b) Directorate level (i.e., what we refer to as DCI level) objectives.

2. Efficiency Evaluations

a. Please forward to the Management and Assessment Staff, as soon as possible but no later than c.o.b. 16 August, your recommendations to the DD/A for efficiency evaluation subjects. In view of the short deadline, telephonic response followed by a confirming memorandum is acceptable.

b. In discussions for clarification of this requirement, I was assured that the Comptroller is not thinking of establishing a formalistic, Agency evaluation program that would require a sizeable commitment of manpower. O/Comptroller assumes, and rightly so, that efficiency evaluations have been and are being undertaken throughout the Agency in conjunction with other management needs. They hope to be able to comply with OMB requirements by having some of these studies serve both purposes. It is suggested, therefore, that your recommendations to the DD/A focus on subjects where studies have already been scheduled or where studies would also serve your needs.

3. DCI Objectives

The referent memorandum requests DD/A to submit "Directorate-level" (what we refer to as DCI) objectives. Unless you want to amend or modify the proposed objectives that you have already submitted for consideration by DD/A, STATINTL no further action on your part is required.
